Energy efficiency rating

 A

This modern 3-bedroom penthouse is located on the top floor of an exclusive three-apartment residential complex, offering privacy, comfort, and high-quality finishes. With a covered internal area of 112 sq.m., the layout includes a master bedroom with en-suite, a second bathroom with shower, built-in kitchen and wardrobes, and a spacious open-plan living and dining area. A large covered veranda of 31 sq.m. provides seamless indoor-outdoor living, while a private 54 sq.m. roof garden offers panoramic views and outdoor relaxation space. The property also includes covered parking, an 8.5 sq.m. storage room, air conditioning in all rooms, underfloor heating with a water-based
